

November 20, 2020

We are so thankful that we have been able to have 14 weeks of in-person instruction at Western Technology Center. This is a reminder that all Western Technology Center campuses will be closed November 23<sup>rd</sup>-27<sup>th</sup> for Thanksgiving Break.

As you celebrate this Thanksgiving, please make safe decisions to help reduce the spread of COVID-19: wash your hands regularly, stay socially distanced, and wear a mask when you are around others. We are anticipating a healthy safe return of all students and staff as we remain vigilant in our efforts to slow the spread.

This holiday season, we are thankful for the opportunity to serve you, your family, and our wonderful communities. We appreciate your support of Western Technology Center.

Thankfully,
