

June 8, 2020

Western Technology Center is open with limited access. In order to comply with state and local directives, and direction from Oklahoma Department of Career and Technical Education, Western Technology Center's reopening has certain guidelines in place:

- Only people with scheduled appointments or scheduled classes should be on campus. No walk-ins at this time will be allowed.
- Upon entrance at Western Technology Center, touchless temperature checks will be conducted.
- A mask that covers the mouth and nose will be required while inside the facility or in close proximity to others outside the facilities.
- CDC guidelines regarding social distancing will be observed.
- Class sizes will be limited to allow for proper social distancing based on classroom size.
- Common areas and break rooms are closed and shared food will remain prohibited.

All testing will require a scheduled appointment. All testing candidates will be required to wear a mask and must wash their hands upon arrival. Candidates will be asked to follow additional check-in procedures in order to ensure a secure, clean testing environment.

Students/instructors/preceptors will be provided documentation to explain the cautionary measures for any in-person interaction.

Western Technology Center is committed to the safety and health of all employees, students, and clients.
